

BRYHER SHOP BREAKFAST CLICK & COLLECT LIST

With only 2 people allowed in the shop at a time it is likely that there will be queues in the morning. To try to avoid this as much as possible we have set up a breakfast click & collect service.

Email us (www.enquiries@bryhershop.co.uk) at least 1 day in advance. Include your name, what day you want to collect and the items that you want. We will assign each order with a number and a time to collect after 09:00. First come first serve. If you can't email then give us a ring on 01720 423 601 AFTER 14:00 to place your order.

Please remember to keep a 2m distance from other customers when you come to collect your items and to bring a card to pay by contactless. Thanks!
